## 4<sup>th</sup> Grade Boys Basketball

through the Pine Island Basketball Program. I believe that for the success of our program, coaches at all levels need to be on the same page by working together, believing in the same philosophy and teaching concepts that will be beneficial to our players as they move throughout various levels of our program.  All boys are encouraged to participate in the 4th grade basketball program. There are no try-outs or cuts.  There will be 1-2 practices a week and 2-3 Saturday tournaments or league games for each boy. We do our best to schedule tournaments and league games in close proximity to Pine Island to avoid extensive travel. Teams will also play at some halftimes of home boys' basketball games.
