

High Student Achievement Meeting Agenda

February 26, 2015

Members present: Becky Collins, Jen Wernau, Dorothy Walston, Patrick Johnston, Shannon Kelley, Rosario Mollo, Shawn Hunsakor, Cindy Hansen, Krista Flaig, Josh Westphal

Guests present: N/A

I. Strategic Plan Review: Reports

A. *"Develop a review process to monitor and enhance Talented and Gifted programs"*

Rosario Mollo, Talented and Gifted Teacher

- Positives: High attendance at TAG activities
- Challenges: Scheduling, Subs needed for school-day TAG activities
- Possible considerations for the future: Continue advanced math classes and maybe even start earlier, consider advancing classes in other subject areas (language arts)

II. Student Achievement Data Review: data coaches

III. Innovation Application Review: Kelli Williams, sphero robot

Next Meeting: World's Best Workforce Committee

Invite people to talk about each area

All children ready for school: **ECFE, kindergarten, ECSE**

All third-graders can read at grade level: **Title I Coordinator, data coach (MMR data)**

All racial and economic achievement gaps closed: **data coach, middle school counselor/social worker (MEIRS?)**

All students ready for career and college: **careers class with Angela Koster, Ramp-Up to Readiness coordinator, high school counselor**

All students graduate from high school: **high school counselor**

Give themselves a rating

Have the committee create a priority list
